

# 2007 Understanding Equus

## 2007 Equine Training & Development:

Debbie can arrange tailor made training sessions to suit all needs, whether it is giving your horse the ideal start in life, including:

- Initial handling / Halter Work
- 'Starting' or backing (for all disciplines)
- Ongoing training & confidence building.

Or if you are experiencing behavioural problems with your horse, such as:

### In Hand

- |                   |                     |
|-------------------|---------------------|
| • Loading         | • catching          |
| • Leading         | • clipping          |
| • picking up feet | • biting            |
| • aggressive      | • nervous behaviour |

### Ridden

- |           |            |
|-----------|------------|
